Dear Bill,

Enclosed is the videotape of your performance here at Patton on May 24, 1991. I apologize for the delay. We were greatly effected by the budget cuts throughout the state and only now did any money become available to edit the tapes. I hope you enjoy the tape. I attempted to edit out patients' faces in general due to confidentiality issues.

Once again, thank you so much for coming out and giving us such a fun and stimulating performance. The audience seemed to enjoy your group immensely. Hope we'll have a chance to bring you out again in the future. Thanks again.

Sincerely,
